Chapter 13. CONGREGATIONS

†S13.01.

Each congregation, except those certified as congregations of the Evangelical Lutheran Church in America by the uniting churches, prior to being listed in the roster of congregations of this synod, shall adopt the Model Constitution for Congregations or one acceptable to this synod, which is not in contradiction to the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.

- a) New congregations. A congregation newly formed by this church and any congregation seeking recognition and reception by this church shall:
 1. Accept the criteria for recognition and reception as a congregation of this church, fulfill the functions of the congregation, and accept the governance provisions as provided in Chapter 9 of the constitution and bylaws of this church.
 2. Adopt governing documents that include fully and without alterations the Preamble, Chapter 1, where applicable, and all required provisions of Chapters 2, 3, 4, 5, 6, 7, 8, 9, 15, 16, 17, 18 and 19 in the Model Constitution for Congregations consistent with requirements of the constitutions, bylaws, and continuing resolutions of this church. Bylaws and continuing resolutions, appropriate for inclusion in these chapters and not in conflict with these required provisions in the Model Constitution for Congregations, the constitution of this synod, or the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*, may be adopted as described in Chapters 16 and 18 of the Model Constitution for Congregations.
 3. Accept the commitments expected of all congregations of this church as stated in *C6.01., *C6.02., and *C6.03. of the Model Constitution for Congregations.
- b) Congregations from another church body. If a congregation is a member of another church body, the leadership of the congregation first should consult with the appropriate authorities of that church body before taking action to leave its current church body. After such consultation, leaders of the congregation should contact the ELCA synod bishop or staff where the congregation is located. The synod bishop or synod staff where the transferring or independent congregation is located shall confer with the congregation to assure its understanding and acceptance of commitment to and affirmation with this church.
- c) Recognition and reception. Recognition and reception into this church of transferring or independent congregations by the Evangelical Lutheran Church in America is based on the judgment of the synod and action by the synod through the Synod Council and Synod Assembly. The synod bishop shall provide for prompt reporting of such additions to the secretary of this church for addition to the roster of congregations.

†S13.02.

It shall be the responsibility of each congregation of this synod to elect from among its voting members lay persons to serve as members of the Synod Assembly as well as persons to represent it at meetings of any conference, cluster, coalition, or other area subdivision of which it is a member. Normatively, congregations should hold elections prior to each regular meeting of the Synod Assembly. The number of persons to be elected by each congregation and other qualifications shall be as prescribed in guidelines established by this synod.

S13.11.

When a rostered minister resigns, the Congregation Council shall receive the letter of resignation, report it to the congregation, and at once notify the bishop of this synod.

- S13.12.** A congregation under financial obligation to its rostered minister shall make satisfactory settlement of the obligation before calling a successor.
- †**S13.20.** A congregation considering a relocation shall confer with the bishop of the synod in which it is territorially located and the appropriate unit of the churchwide organization before any steps are taken leading to such action. The approval of the Synod Council shall be received before any such action is effected.
- †**S13.21.** A congregation considering development of an additional site to be used regularly for worship shall confer with the bishop of the synod in which it is territorially located and the appropriate unit of the churchwide organization before any steps are taken leading to such action.
- †**S13.22.** Each congregation of the Evangelical Lutheran Church in America within the territory of this synod, except those which are in partnership with the Slovak Zion Synod, shall establish and maintain a relationship with this synod.
- †**S13.23.** Provision 9.71. of the constitution of this church shall govern the relationship of this synod and a congregation of this synod regarding the property of the congregation. The synod may transfer or convey property to a congregation of the synod, subject to restrictions accepted by the congregation, including provision that if the Synod Council, in its sole and exclusive discretion, determines (1) that the property is not being used to serve the mission and ministry needs of this church, or (2) that the congregation has transferred, encumbered, mortgaged, or in any way burdened or impaired any right, title, or interest in the property without the prior approval of the Synod Council, then title to the property shall revert to the synod, and the congregation, upon written demand, shall re-convey the property to the synod.
- †**S13.24.** The Synod Council, itself or through trustees appointed by it, may take charge and control of the property of a congregation of this synod to hold, manage, and convey the same on behalf of this synod, if any of the following apply:
- a) The congregation has disbanded, ceased to worship, or otherwise ceased to exist as a congregation.
 - b) The congregation has abandoned its property.
 - c) The remaining members of the congregation decide that it is no longer possible to function as a congregation or that they are unable to provide required governance.
 - d) The Synod Council determines that the membership of a congregation has become so scattered or so diminished in numbers that it cannot provide required governance or that it has become impractical for the congregation to fulfill the purposes for which it was organized.
 - e) The Synod Council determines that it is necessary for this synod to protect and preserve the congregation's property from waste and deterioration.

The congregation shall have the right to appeal any such decision to the next Synod Assembly.

- S13.25.** This synod may temporarily assume administration of a congregation upon its request or with its concurrence.

S13.30. Discipline

†**S13.31.** Congregations and members of congregations are subject to discipline in accordance with the provisions of Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*. In a parish of multiple congregations, the pastor shall hold membership in one of the congregations.

In exceptional circumstances with the approval of the bishop of this synod and the chair of the Congregation Council of the congregation issuing the call, an additional 15 days may be granted to respond to a letter of call.
- †S14.18.** The provisions for termination of the mutual relationship between a minister of Word and Sacrament and a congregation shall be as follows:

Upon resumption of the ability to conduct the office effectively, the bishop shall take steps to enable the pastor to resume the ministry, either in the congregation last served or in another appropriate call.
- d) In the case of alleged local difficulties that imperil the effective functioning of the congregation under paragraph a.3) above, the bishop's committee shall endeavor to hear from all concerned persons, after which the bishop together with the committee shall present their recommendations first to the pastor and then to the congregation. The recommendations of the bishop's committee must address whether the pastor's call should come to an end and, if so, may suggest appropriate severance arrangements. The committee may also propose other actions that should be undertaken by the congregation and by the pastor, if appropriate. If the pastor and congregation agree to carry out such recommendations, no further action need be taken by the synod.
- e) If either party fails to assent to the recommendations of the bishop's committee concerning the pastor's call, the congregation may dismiss the pastor only at a legally called meeting after consultation with the bishop, either (a) by a two-thirds vote of the voting members present and voting where the bishop and the committee did not recommend termination of the call, or (b) by a majority vote of the voting members present and voting where the bishop and the committee recommended termination of the call.

Chapter 15. FINANCIAL MATTERS

- †S15.01. The fiscal year of this synod shall be February 1 through January 31.
- †S15.11. Since the congregations, synods, and churchwide organization are interdependent expressions that share in God's mission, all share in the responsibility to develop, implement, and strengthen the financial support of the whole church. The gifts and offerings of the members of Evangelical Lutheran Church in America are given to support all parts of this church; thus, the unity of this church should be evidenced in determining each part's share of the gifts and offerings. Therefore:
- a) The mission of this church beyond the congregation is to be supported by such a proportionate share of each congregation's annual budget as each congregation determines. This synod shall develop guidelines for determining "proportionate share," and shall consult with congregational leaders to assist each congregation in making its determination.
 - b) This synod shall receive the proportionate share of the mission support from its congregations, and shall transmit that percentage or amount of each congregation's mission support as determined in consultation with the churchwide organization and approved by the Synod Assembly as part of its budget consideration.
 - c) Should the Synod Assembly not approve the proportionate share of mission support determined in consultation with the churchwide organization, a new consultation with the churchwide organization shall take place. The Synod Council is authorized to amend the budget adopted by the Synod Assembly to reflect the results of this consultation.
- †S15.12. The annual budget of this synod shall reflect the entire range of its own activities and its commitment to supportive funding with other synods and the churchwide organization.
- S15.13. On the basis of estimated income, the Synod Council shall authorize expenditures within the budget for the fiscal year. Expenditure authorizations shall be subject to revision, in light of changing conditions, by the Synod Council.
- S15.14. Except when such procedure would jeopardize current operations, a reserve amounting to no more than 16 percent of the sum of the amounts scheduled in the next year's budget for regular distribution to synodical causes shall be carried forward annually for disbursement in the following year in the interest of making possible a more even flow of income to such causes. The exact number of dollars to be held in reserve shall be determined by the Synod Council.
- S15.21. No appeal to congregations of this or any other synod of the Evangelical Lutheran Church in America for the raising of funds shall be conducted by congregations or organizations related to or affiliated with this synod without the consent of the Synod Assembly or the Synod Council.
- †S15.31. This synod shall arrange to have an annual audit of its financial records conducted by a certified public accountant firm recommended by the synod Audit Committee and approved by the Synod Council. The audited annual financial report shall be submitted by this synod to the churchwide Office of the Treasurer and to the congregations of this synod.
- †S15.32. This synod shall maintain adequate, continuous insurance coverage in accordance with standards recommended by the churchwide organization. Insurance programs offered or endorsed by the churchwide organization shall be deemed to fulfill this obligation.

Chapter 16. INDEMNIFICATION

- †S16.01. Subject to the limitations and duties imposed by law, each person who is or was made or threatened to be made a party to any proceeding by reason of the present or former capacity of that person as a Synod Council member, officer, employee, or committee member of this synod shall be indemnified against all costs and expenses incurred by that person in connection with the proceeding. Indemnification of any person by reason of that person's capacity as a director, officer, employee, or committee member of any other organization, regardless of its form or relationship to this synod, is subject to the provisions of †S16.02.
- a) The term “proceeding” means a threatened, pending, or completed lawsuit, whether civil or criminal, an administrative or investigative matter, arbitration, mediation, alternative dispute resolution, or any other similar legal or governmental action. Except as otherwise required by law, the term “proceeding” does not include (a) any action by this synod against the individual seeking indemnification, or (b) subject to †16.04., a disciplinary hearing or related process described in Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.
 - b) The term “indemnification” includes reimbursement and advances of costs and expenses for judgments, penalties, fines, settlements, excise taxes, reasonable attorneys’ fees, disbursements, and similar required expenditures.
- †S16.02. Whenever a person who, while a Synod Council member, officer, committee member, or employee of this synod, is or was serving at the request of this synod (or whose duties in that position involve or involved service in the capacity of) a director, officer, partner, trustee, employee, or agent of another organization, is or was made or threatened to be made a party to a proceeding by reason of such capacity, then such person shall be entitled to indemnification only if (a) the Synod Council has established a process for determining whether a person serving in the capacity described in this section shall be entitled to indemnification in any specific case, and (b) that process has been applied in making a specific determination that such person is entitled to indemnification.
- †S16.03. This synod may purchase and maintain insurance on behalf of itself or any person entitled to indemnification pursuant to this chapter against any liability asserted against and incurred by this synod or by such other person in or arising from a capacity described in †S16.01. or †S16.02.
- †S16.04. When written charges against a rostered minister of this church are made in disciplinary proceedings under Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America* by the synod bishop or when written charges against a congregation are made in disciplinary proceedings by the Synod Council or the synod bishop, and the discipline hearing committee determines that no discipline shall be imposed, then if such determination is not reversed or set aside on appeal, indemnification shall be made by the synod to the accused for reasonable attorney’s fees and other reasonable expenses related to the defense of the charges. The determination of the reasonableness of such fees and expenses shall be made by the Synod Council.

Chapter 17. CONSULTATION AND ADJUDICATION

- †S17.01. The synod bishop and the Executive Committee of the Synod Council shall be available to give counsel when disputes arise within this synod.
- †S17.02. The synod bishop and the Executive Committee of the Synod Council shall receive expressions of concern from rostered ministers of this church, congregations, and organizations within this synod; provide a forum in which the parties concerned can seek to work out matters causing distress or conflict; and make appropriate recommendations for their resolution. When a concern relates directly to the synod bishop, the synod vice president will lead the Executive Committee's efforts at resolving the matter. When the matter at issue cannot be resolved in this manner, applicable procedures for investigation, decision, appeal, and adjudication shall be followed. Allegations or charges that could lead to the discipline a rostered minister of this church shall not be addressed by the Executive Committee but shall be resolved through the disciplinary process set forth in the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.
- †S17.03. When there is disagreement between or among congregations of this synod on a substantive issue that cannot be resolved by the parties, the council of an affected congregation may petition the synod bishop for a consultation after informing the other affected congregation(s) of its intent to do so. - a) Introduced with the support of at least 25 voting members and having been approved by a two-thirds vote of the voting members present and voting at a regular meeting of the Synod Assembly, an amendment may be adopted unchanged by a two-thirds vote at the next regular meeting of the Synod Assembly.
- b) The Synod Council may propose an amendment, with notice to be sent to the congregations of this synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.

All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council.
