

T.E.A.M.

Together Emphasizing Alaska's Mission

When T.E.A.M. began in 1997, we had little idea how the Spirit would take this partnerships forward. New mission sites, capital projects, new ministry projects and outreach to our neighbors funded through T.E.A.M. tell us that the Spirit is working in and through us. God bless us as we work together.

You can **join T.E.A.M.** in five ways:

- Encourage your congregation to develop a project with a T.E.A.M grant
- Make a personal contribution to T.E.A.M.
- Serve on the T.E.A.M. Committee.
- Advocate for T.E.A.M. to be part of your congregation's mission support.
- Pray for God's Mission and the Spirit's work in Alaska and our synod.

In gratitude for God's abundance
